

VITO FRANCESCO POLCARO

Publicazioni di archeoastronomia più importanti degli ultimi anni

- 1) Scuderi A., Orlando A., Curti E., Lozito L., Polcaro V. F., A new hierophany at Monte Crocchia (Basilicata). *Mediterranean Archaeology & Archaeometry* 2017,
- 2) Lozito L.; Maurici F.; Polcaro V. F.; Scuderi A., "New findings at the Petre de la Mola megaliths", *Proc. Of the SEAC 2014 Conference The materiality of Sky, Malta, 22-26 September 2014*,
- 3) Scuderi, A.; Polcaro, V. F.; Mercadante, F.; Lo Cascio, P.; Maurici, F., Astronomically oriented megaliths of the Monte Jato area (Sicily). *Mediterranean Archaeology & Archaeometry*, 2014, vol. 14, pp 155-165
- 4) A. Scuderi, F. Vitale, S. Tusa, V. F. Polcaro, R. Scuderi, F. Maurici, The "Pulpit of the King", *Proc. of the SEAC 2014 Conference The Materiality of the Sky, Malta, 22-26 September 2014*,
- 5) V. F. Polcaro "Great Year", Hamlet's Mill and the "2012 Maya Prophecy": The Charm of Cyclical Time, 2013, *Anthropological Notebooks*, XIX (special issue), pp.33-39
- 6) A. Scuderi, F. Mercadante, P. Lo Cascio, and V. F. Polcaro - The Astronomically Oriented Megalith of Monte Arcivocalotto, 2013, *Anthropological Notebooks*, XIX (special issue), pp.213-222
- 7) Polcaro V. F., The concept of time, from Palaeolithic to Newtonian physics, 2013, *EPJ Web of Conferences*, 58, pp 03001-03009.
- 8) Incerti, M.; Bònoli, F.; Polcaro, V. F., Transient Astronomical Events as Inspiration Sources of Medieval and Renaissance Art, 2011, *ASP Conference Series*, Vol. 441, pp. 139-145
- 9) Antonello, E.; Polcaro, V. F.; Tunzi Sisto, A. M.; LoZupone, M., Astronomical orientations in sanctuaries of Daunia, 2011, Paper presented at the SEAC (European Society for Astronomy in Culture) 2011 meeting in Evora (Portugal); in press, arXiv:1307.1964 [physics.hist-ph]
- 10) Antonello, E.; Polcaro, V. F.; Tunzi, A. M.; Lo Zupone, M., Prehistoric sanctuaries in Daunia, 2010, Paper presented at the SEAC 2010 meeting in Gilching (Germany), in press, arXiv:1306.5893 [physics.hist-ph]
- 11) Martocchia, A.; Polcaro, V. F. GRB 080319b and SN1054, *Mem. SAI*, 2010,14, 242
- 12) V.F. Polcaro, F. Bònoli, M. Incerti, 2011, Transient astronomical events as inspiration sources of medieval art: III- the 13th and 14th century, in *Proc. of the SEAC 2011 Conference "Stars and Stones: Voyages in Archaeoastronomy and Cultural Astronomy - A meeting of different worlds September 19 - 23, 2011, Évora (Portugal)*, in press
- 13) V.F. Polcaro, 2011, The role of Cultural Astronomy in bridging the Snow's "Two Cultures": some Italian experiences, in *Proc. of the SEAC 2011 Conference "Stars and Stones: Voyages in Archaeoastronomy and Cultural Astronomy - A meeting of different worlds September 19 - 23, 2011, Évora (Portugal)*, in press
- 14) Incerti M., Bònoli F., Polcaro V.F.; Transient astronomical events as inspiration sources of Medieval art: II, 2011, in *Proc. of "Heavenly Discourses: Myth, Astronomy and Culture"*, University of Bristol, UK, 14-16 October 2011, in press
- 15) Martocchia A., Polcaro, V.F., (2011), Guidelines for a social history of Astronomy: II, The 13th and 14th centuries, in *Proc. of "Heavenly Discourses: Myth, Astronomy and Culture"*, University of Bristol, UK, 14-16 October 2011, in press
- 16) Polcaro V.F., Martocchia A. (2011): Guidelines for a social history of Astronomy, in *Proc. of "Astronomy and Power – How Worlds are structured"*, SEAC 2010, Gilching (Germany), Aug.30-Sep.4 2010, in press
- 17) Incerti M., Bònoli F., Polcaro V.F., 2010, The Star of Magi: transient astronomical events as inspiration sources of Late Medieval art, in *Proc. of "Astronomy and Power – How Worlds are structured"*, SEAC 2010, Gilching (Germany), Aug.30-Sep.4 2010, in press
- 18) Labianca L., Gaudenzi S., Ranieri M., Polcaro V. F., Sclavi S., 2010, The Hypogeal "Neo-Pythagorean Basilica" at Porta Maggiore in Rome, in T. S. Akasheh and M. Sanrana Quinterro (eds.), *Proc of the 7th International Conference on Science and Technology in Archaeology and Conservation, Amman/Petra 5 December 2010, CulTech for Heritage and Conservation (Amman)*, pp 298-308
- 19) Polcaro, V.F., Mucciarelli M., Pizzimenti S., Polcaro A., 2010, Il megalite di Cannalicchio di Castelgrande (PZ) ed i suoi analoghi nell'antica Lucania, in *Atti del convegno "Cielo e cultura materiale"*, BMTA Paestum; p. 19-36
- 20) Polcaro, V. F.; Ienna, D., The Megalithic Complex of the "Preta 'ru Mulacchio" on the Monte della Stella, 2009, *ASP Conference Series*, Vol. 409, pp. 370-376
